Greetings from Engage 2

Dear readers,
welcome to our inaugural newsletter!

These first seven months have been an incredible journey, filled with significant developments. In this first issue you will find **Engage 2's new "thematic challenges"** and we're thrilled to announce that the **Engage 2 Call for PhDs is now open**, an excellent opportunity for aspiring researchers.

Another exciting milestone is the **launch of our website**, a dynamic platform for keeping up to date with our activities.

Stay tuned with our journey and make sure you're subscribed to our social media.

We look forward to continuing our journey together in the coming year.

Happy Holidays from all of us at Engage 2!

News from Engage 2

NEW WEBSITE. Discover a world of innovation at your fingertips! The Engage 2 website is your gateway to the latest updates and breakthroughs in the project.

Engage 2 announces its first thematic challenges. Engage 2 has successfully concluded its first Call for thematic challenges. The Call launched in July 2023 and closed at the end of October, with 20 submissions received. The four selected challenges, as selected by the Awards Board, encompass a range of research topics that are pivotal to both current and future operational challenges in the ATM domain.

CALLS

Engage 2 PhD Call. The Engage 2 PhD Call is now online! This initiative will provide an important opportunity for ten doctoral researchers to develop their ideas (it's not a requirement for PhD proposals to align with the four thematic challenges) and contribute to the evolution of the European ATM system. **The deadline for submissions is the 18th of February 2024.**

[Apply now!](#)

providing i) initial feedback on thesis topics, ii) peer-review of the draft thesis, iii) discussion on potential future career paths. Other benefits that may be offered to selected students include: i) free participation at Engage 2 summer schools, ii) a contribution to travel expenses to attend the Future Skies: Tomorrow's Voices session at Airspace World, iii) a contribution to travel expenses to the SIDs, iv) an internship offered by members of the Engage 2 Industry Board, v) a free place on the GEN-INTRO training course, vi) inclusion of their thesis subject within the topics of the catalyst funding Calls.

Stay tuned for details, the Call is due to open on the Engage 2 website in January 2024!

CONSORTIUM

This project has received funding from the SESAR Joint Undertaking under the European Union's Horizon 2020 research and innovation programme under grant agreement No 101114648.
