## [Engage 2 panel discussion on skills at Airspace World 2024](#)

The panel discussion "Future Aviation Workforce and New Skills for a Transformative Future," moderated by Veronika Takacs and organised by Engage 2, highlighted the critical need for the aviation industry to adapt its workforce strategy to keep pace with rapid technological advancements. Industry leaders, including CEOs and HR chiefs from major aviation organisations, participated in the discussion. They focused on understanding the current aviation workforce and how it needs to evolve to meet the challenges of a technologically transformed future.
