

Newsflash #3 - July 2024

Dear reader,

Welcome to the third issue of the Engage 2 newsletter, a significant milestone as **we celebrate our first anniversary!** To mark these twelve months of activities, [we met in Vienna](#), hosted by FREQUENTIS, to review our past actions and pave the way for future initiatives.

During this year, we've achieved remarkable progress, from **promoting the first wave of Catalyst projects and PhD calls** to laying the groundwork for future innovations.

As we look ahead, exciting opportunities abound, including **our Winter School in Belgrade, the Hackathon in Madrid** and numerous events where we will showcase our achievements and invite new collaborators to join the dynamic world of Air Traffic Management.

We wish you an enjoyable read and a wonderful summer break!
